

We're Listening

In fulfilling our mission, we strive to create an environment focused on the needs of the residents, patients, and their families.

Therefore, Masonicare's Quality Department in collaboration with the Vice Presidents of the different Service Lines decided to conduct a campaign entitled "**We're Listening**" that will enable us to paint a true picture of the care we provide in order to improve quality of care. After all, you're the reason we're here.

The survey will be sent via U.S. Mail or hand delivered to residents, patients, and their families through the affiliate specific selection process.

Thank you in advance for your participation and cooperation!
