

If you heard...

“Make an ointment for all three herring’s screaming...”

Then it’s time to...

“Make an appointment for a free hearing screening.”

MASONICARE’S HEARING CENTER

OUR AUDIOLOGY SERVICES INCLUDE:

- Complete diagnostic hearing evaluations including patient and family education.
- Personalized guidance in selecting hearing aids that best meet individual needs and provide the greatest value.
- Assistance in selection of safety and communication devices, including:
 - Bluetooth-adaptable devices
 - Television infrared systems
 - Amplified phones and other systems, smoke detectors, answering machines and FM systems.
- A new state of the art verification system to confirm hearing aid effectiveness
- Repair and service of hearing aids and devices, as well as loaner instruments during service periods.

Please call 203.679.6909
to learn more or to make
an appointment.

We’ll help you get back
into the conversation!

Masonicare
An Ageless Commitment to Caring

In most cases, major medical insurances cover diagnostic hearing evaluations.

PRESENT THIS COUPON TO RECEIVE YOUR FREE HEARING SCREENING!
