

Volunteer Openings

Coloring Club Assistants—Transport residents by wheelchair within the building and help residents as needed with coloring. Two Saturday mornings each month, 9:30 to noon.

 **Clerk**—For busy Financial Services Office. Help with filing. Accuracy is essential.

Cafeteria Assistant—10:00 to 1:30, Tuesdays &/or Thursdays. Operate cash register, wait on customers, clean tables.

 **Transporter**: Bring residents by wheelchair to and from in-house beauty shop, radiology, clinic, or rehab services appointments. Several shifts available.

Convenience Store Cashiers: Wait on customers and operate cash register. Straighten displays and stock shelves, as needed. **Must be customer service oriented.** Several openings in Convenience Store on weekday afternoons and weekends and in Gift shop (Sunday mornings).

Convenience Store Stocker: Check-in merchandise, put prices on items, check expiration dates, and arrange merchandise on shelves. Monday afternoons preferred.

Convenience Store Display Organizer: Refresh displays in clothing section, straighten out area, re-stock as needed, price new merchandise. Day and time is flexible.

Friendly Visitor: Visit residents and patients one-on-one. Engage residents in conversation, offer comfort, take them outdoors for some fresh air, and be an active listener.

Recreation Assistant, Grandma's Kitchen: Help set up, bring residents to and from activity, converse with residents, share stories, reminisce, help prepare recipe of the day, and help clean up.

Recreation Assistant, Oil Painting Class: Help bring residents to and from class, assist residents with painting. No experience in oil painting is necessary. Alternate Wednesday mornings.

After School Program: For students interested in health care career, assist on nursing communities. Direct resident contact. Greet residents, lead small group activity prior to dinner, assist with dinner service, and make room to room visits. Weekday of your choice, 3 or 3:30 to 7.

Expressive Arts Volunteers: Share your talents in music, writing, and the creative arts (knitting, jewelry-making, collage) with individual residents or in small group settings. Days and times are flexible.

Hospitality Cart—approx. 1 to 3:30 p.m. weekdays. Stop by patients's rooms to say hello and see if there's something the rehab patient needs. Offer free magazines, puzzles, and paperbacks. Offer to paint nails, apply hand cream, play cards or a board game, or just sit and visit for a little while. Need volunteers who are outgoing and attentive.

Pet Visitor: Bring your well-behaved dog or rabbit to visit residents. If you are friendly and enjoy people and your pet is comfortable with and accepting of strangers, willing to ride in an elevator, and calm and relaxed even in a busy environment, then making visits with your pet would greatly benefit residents and patients. Days and times are flexible. Typical visits last for about an hour.

Safety Inspector: Volunteer to check individual wheelchairs for footrests and perform safety check on wheelchairs. Label wheelchairs as needed.

Recreation Assistant for Saturday afternoon music program: Help transport residents to and from activity. Stay during activity and assist residents as needed. 1:30 to 4 p.m.
